Why us?

“For over 25 years, Le Groupe Maurice has been providing living options that cater to the needs of retirees seeking a more active and satisfying lifestyle. Prior to our inception, the retirement accommodations available didn’t quite meet the desires of the majority of seniors, who craved independence and a vibrant life. I felt a calling to change this, to create living spaces that are radically different from what existed in the past.

My vision was to create residences where people would enjoy life like never before!

Today, I am thrilled to see individuals regaining their vitality after settling into one of our residences. It is a rare and truly precious experience to sense so much happiness and joy in one place.

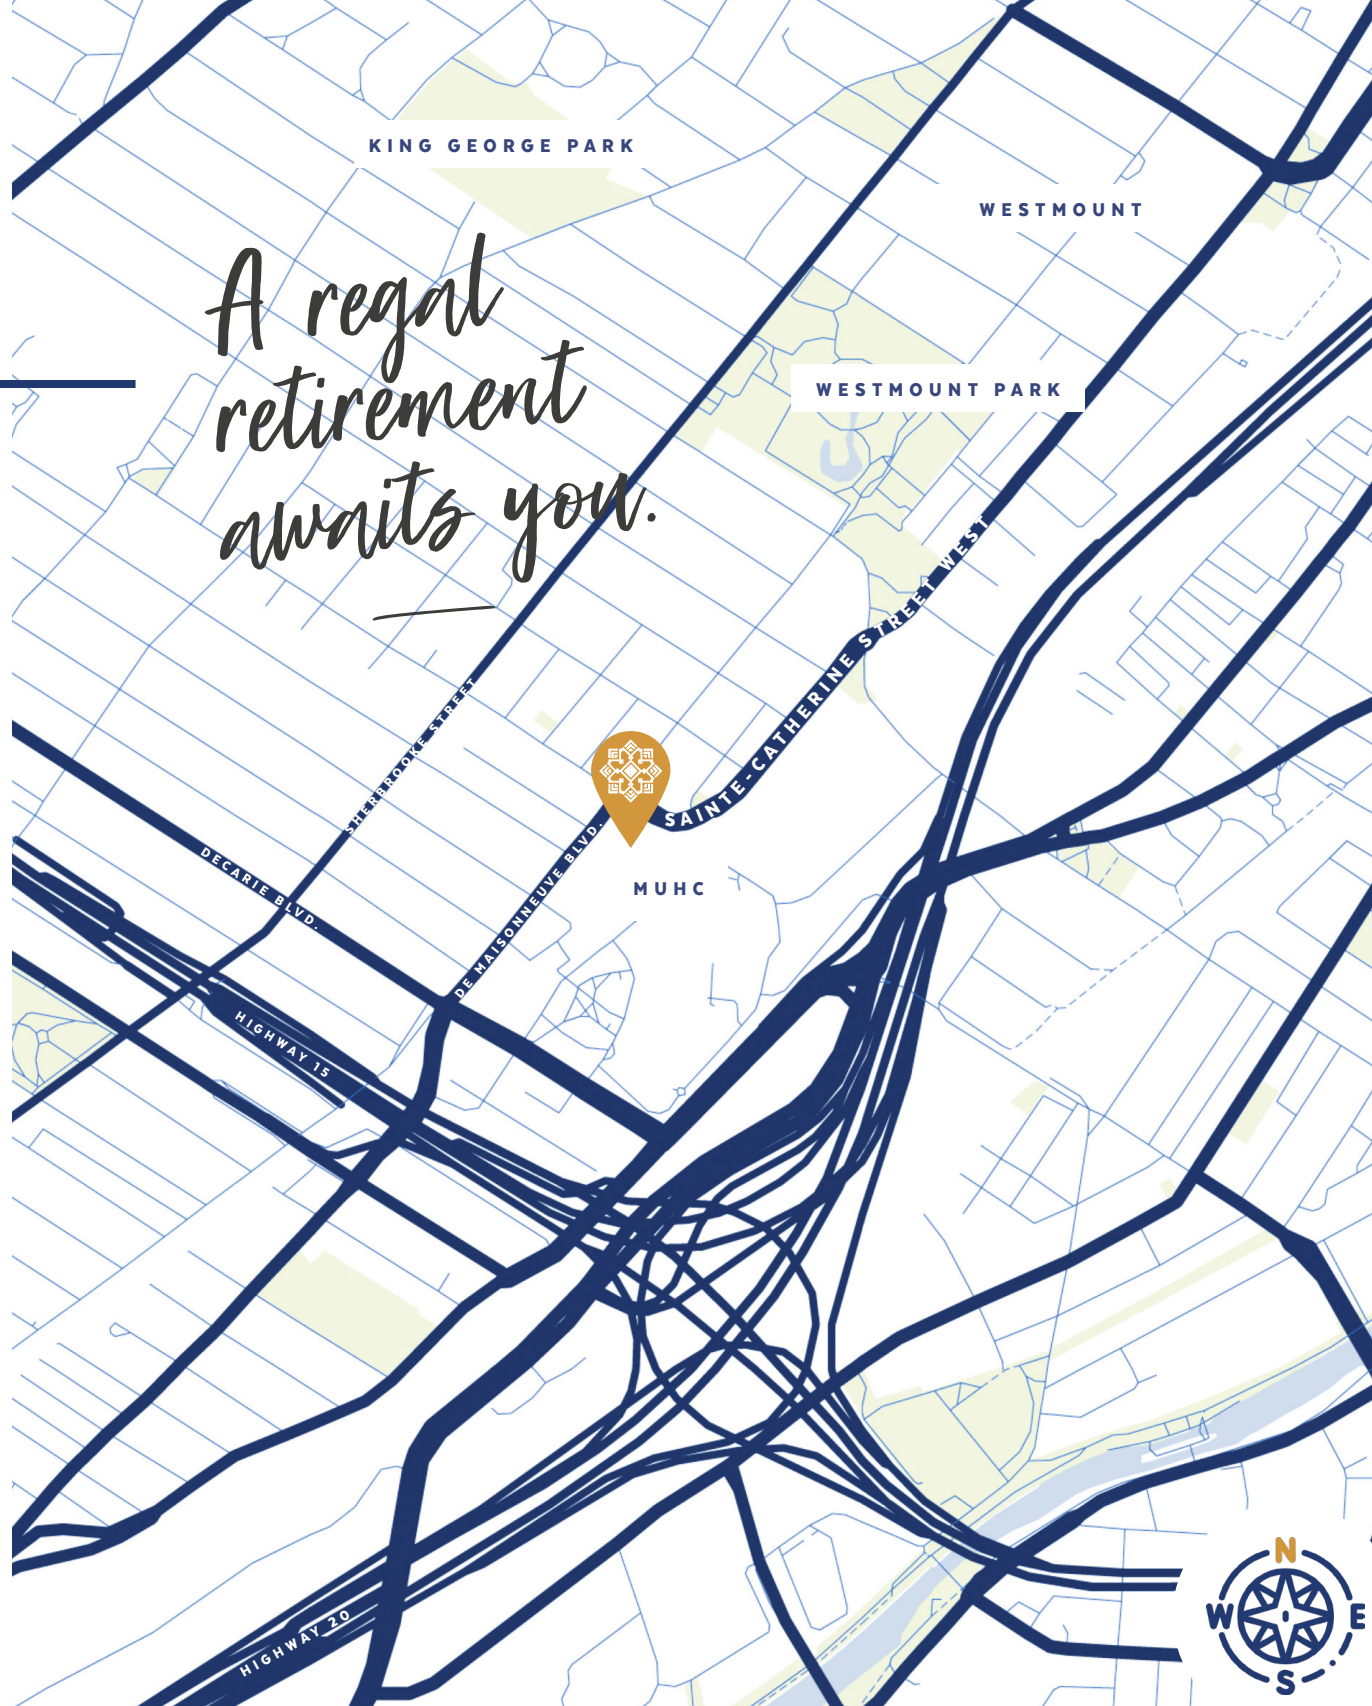

To all future retirees, I sincerely hope that you find a living space that brings you endless laughter, new friendships, exciting adventures and fulfilling projects.

On behalf of myself and my dedicated team,
I warmly welcome you to LIZI!”

**A TRUE ART
OF LIVING**

The abbreviation of Elizabeth, LIZ, resonates with the nobility of this feminine name, renowned worldwide as that of the former Queen of England. The elegance of this name, coupled with the royal symbolism of the logo, also evokes the prestige of the neighbourhood in which this bilingual residence is situated. This seamless blend leaves no doubt about the exquisite retirement experience awaiting you!

The affluence of a neigh- bourhood...

... WHERE JOY REIGNS SUPREME

The borough where LIZ resides is located in a haven of nature, urban development and multiculturalism. This splendid residential neighbourhood is bustling with diverse shops and services, set amidst a decidedly green environment. It's an area distinguished by its character, resources, and convivial atmosphere!

WITH HEART IN HAND

Le Groupe Maurice consistently engages in causes it holds dear. And because every action counts, it's worth noting that the LIZ complex also houses the Kat Demes Pavilion of the Montreal Children's Hospital Foundation. This altruistic endeavour directly reflects the values of solidarity upheld by the company and its charitable Foundation.
