Why us?

“For over 25 years, Le Groupe Maurice has been providing living options that cater to the needs of retirees seeking a more active and fulfilling lifestyle. Prior to our inception, the retirement accommodations available didn’t quite meet the desires of the majority of seniors, who craved independence and a vibrant life. I felt a calling to change this, to create living spaces that are radically different from what existed in the past.

My vision was to create residences where people would enjoy life like never before!

Today, I am thrilled to see individuals regaining their vitality after settling into one of our residences. It is a rare and truly precious experience to sense so much happiness and joy in one place.

To all future retirees, I sincerely hope that you find a living space that brings you endless laughter, new friendships, exciting adventures and fulfilling projects.

On behalf of myself and my dedicated team,
I warmly welcome you to Lilo!”

**WITHIN
ITS WORLD**

The name and logo of Lilo reference two of the main features of this unique living environment: Île Perrot, where the residence is located... and the water that surrounds it on all sides. By merging these two characteristics, the name “Lilo” was created. Le Groupe Maurice thereby exemplifies the unity and sense of belonging that characterize this close-knit and vibrant community.

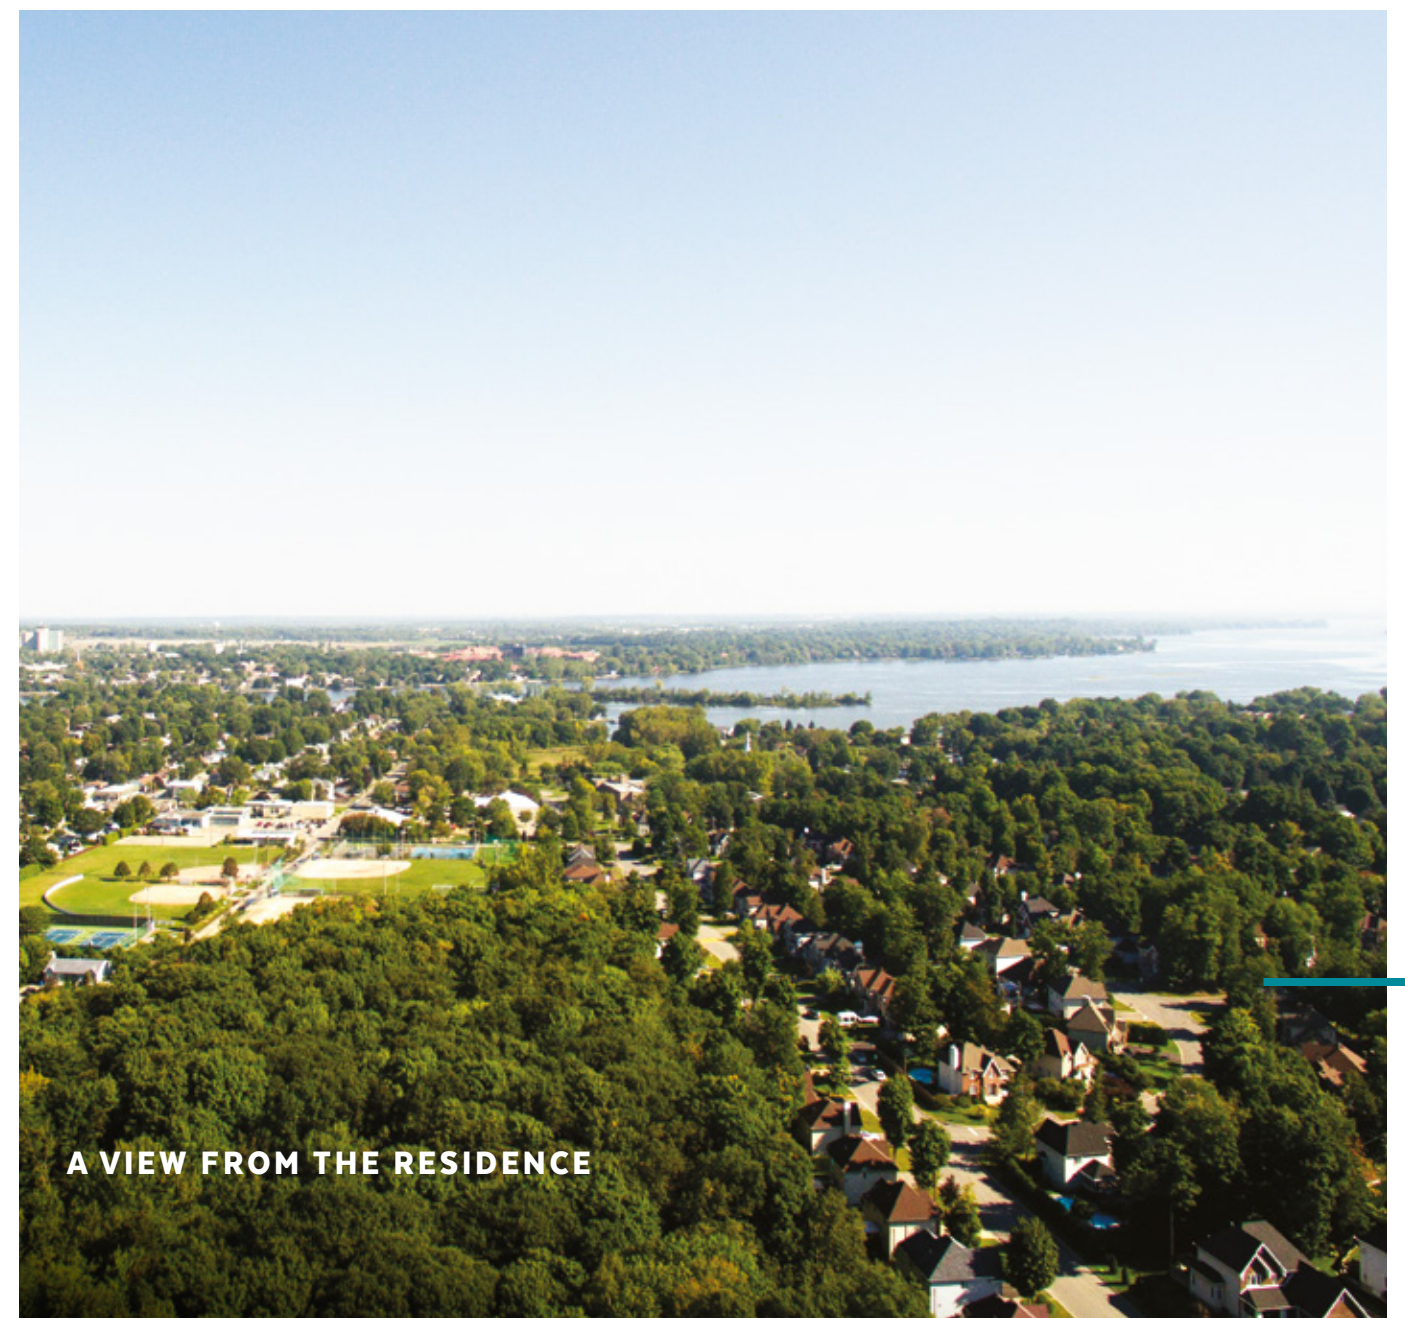

WHAT A VIEW!

Lilo is among the first of our residences to feature aerial views. Thanks to images captured by a small drone, prospective residents of the complex had the opportunity to visualize the views offered from different facades and could thus choose their apartment in this insightful way!

An island bliss

Île-Perrot is a place as peaceful as it is charming. Located west of Montreal, bordering the St. Lawrence River, this island is the ideal place to reconnect with nature. This veritable green jewel also offers all the desired amenities to ensure you enjoy an exceptional daily life.
